

PRESS NOTE

CCTV Cameras are 3rd eye of Police.

A large number of CC Camers have been installed in Rachakonda.

Inauguration of Community CCTV Cameras by Smt Sabhita Indra Reddy garu , Honble Minister for Education, TS, and Rachakonda CP Mahesh M Bhagwat, IPS

As a part of expanding Community CCTV cameras network across Rachakonda Commissionerate, today Smt Sabhita Indra Reddy, Honble Minister for Education, and Rachakonda CP Sri Mahesh M Bhagwat IPS garu , inaugurated (106) Community CCTV Cameras which are installed under Meerpet Police station limits with a cost of Rs 38,00,000/-. These cameras will be connected to command control room. These cameras were installed at strategic locations covering the entry and exits, main routes and crime prone areas of the localities.

As on today there are a 1925 Community CC Cameras and 17688 Nenu Saitham Cameras have been installed under the limits of Vanastalipuram division. In the recent past, snatching cases, a house burglary and robbery cases were detected through CCTV footages and recovered property.

Speaking on the occasion, Rachakonda Commissioner of Police, Sri Mahesh Bhagwat IPS has said that , 100 % present recovery is done by CCTV cameras. CCTV cameras became an important aspect of modern-day policing and almost 70% of the crimes are being detected with the footages. He urged the citizens and public representatives to come forward and install more number of cameras in their respective areas. CP appreciated SHO Meerpet M. Mahender Reddy and team for this community CCTV project.

Addressing the chief guest Smt Sabhita Indra Reddy garu has said that it was great initiative where the citizens with the help of police came forward and installed CCTV cameras for the security of all citizens. She made an appeal to public to join hands for Safer Rachakonda and also appealed the local public representatives to ensure installation more cameras in remaining colonies. And also she appreciated Rachakonda police and Meerpet police for doing hard work in This pandemic situation also.
